Miracle Cami #5042

For hands-free pumping:

- Leave center bra clasp connected and unhook the two side clasps below the straps.
- Lift the top section and slip the flange of the breast pump in place.
- Adjust top and bottom sections of the Cami to hold the flange in place

Holding your Baby Skin-to-Skin:

- Lift the upper section of the Cami and place your baby on your shoulder. Slide your infant into Cami opening (expanding the front with your other hand)..
- Place your baby between your breasts
- Check that Baby's bottom is secure inside the inner pouch.
- Place the upper section of the Cami over your baby's head and behind his neck.

For Breastfeeding:

- For breastfeeding, unhook clasp on nursing side.
- Lift the upper section supporting your baby's head.
- Shift your baby into position and cover your breast with the upper section,

Care of fabric

Wash as delicate fabric using a short gentle cycle and tumble dry damp and hang to complete drying for best results. Washing inside out is recommended.
